---

Prospective Product Service Network Member,

We are excited that you have shown interest in becoming part of the HDC Product Service Network as an Authorized Service Dealer.

At HDC we know that delivering a reliable and durable product at a value is vitally important; but understanding and servicing the needs of our customers is just as important. This philosophy is the reason we are excited that you have shown an interest in becoming a part of the Product Service Network. With you on our team, we are confident that we will be able to provide customers with the fair and friendly service they deserve post purchase.

This Product Service Network packet includes all the information you will need to get started supporting HDC products. Please complete the attached document(s) and remit to the above email or fax.

We look forward to receiving your information and starting our business relationship.

Sincerely,

VP of HDC National Service
